

FACTS

What Does the HTM Credit Union Do with your personal information?

WHY?

Financial companies choose how they share your information. Federal law gives members the right to limit some but not all sharing. Federal law also requires us to tell you how we collect share and protect your personal information. Please read this notice carefully to understand what we do.

WHAT?

The types of personal information we collect and share depend on the products or services you have with us. This information can include:

- Social Security Number and Income
- Account Balances and payment history
- Account transactions and checking account information

The mobile banking app may collect personal information from you or your financial institution, such as your first and last name, address, e-mail, User IDs, telephone number, and social security number when you create an account and use . This information could include your address or contacts (e.g. to make P2P (peer to peer) payments using Zelle or other payments functionality). We will collect the financial and transaction information necessary to provide you with the Services, including account numbers, payment card expiration date, payment card identification, verification numbers, and transaction and payment history.

HOW?

All financial companies need to share members personal information to run their everyday business.

In the selection below, we list the reasons financial companies can share their members personal information; the reasons HTM Credit Union chooses to share, and weather you can limit this sharing.
